Marseille
 - Rehabilitation of the computer park
the company

HOBBIES

- SPORTIVE SHOOT** Champion of France speed shooting 2017
depuis 2012 Vice-champion of France Speed shooting
2023 Several times team champion

MANUAL CREATIONS

Origami designs of all kinds and repair of laptops which allowed me to develop finesse in carrying out manual tasks. It also happens to me to design and produce 3D elements. You can see and consult all the results on my portfolio.
